with a shower. Under the stairs there is a storage room with a washing machine.

All rooms on the ground floor lead to a terrace of 60 m².

On the covered terrace is a large dining table and a corner with comfortable armchairs for relaxation.

On the first floor, there are 3 large bedrooms, each with its bathroom, and the largest room has a four-poster bed, a safe, access to a large terrace with a view of the sea and a smaller children's room, so that parents can be close to a small child, yet separate.

The house is fully heated and cooled and has free internet Wi-Fi.

The yard has a large heated pool measuring 11 x 5 m², deckchairs for sunbathing, umbrellas, and a summer kitchen with a grill and a large table for socializing.

The house was built in 2014, on a plot of 1500 m². The entire garden is surrounded by a stone wall, so it provides privacy. Inside the property, there is a large parking lot for several cars.

The garden is planted with colorful flowers and Mediterranean herbs.

We are sure that Villa Azzurra is ideal for your vacation with family and friends, regardless of whether you like an active vacation or just lying in the sun by the pool.

The nearest airport is the airport in Pula (40 minutes from the house), and if you need a rent-a-car service, we can organize it for you.

The rental price for one week is from 1967.00 euros to 3899.00 euros per week.
