A luxurious apartment is for sale on the first floor of a modern building currently under construction, situated in an exceptional location.

The planned completion of construction works and move-in date are scheduled for March 2027.

This apartment offers the perfect blend of elegance and functionality. The apartment consists of an entrance hallway, two bedrooms, a bathroom, a guest toilet, and an open-concept kitchen, dining area, and living room.

Large glass walls provide plenty of natural light, while the northeast-facing terrace is ideal for enjoying the sunrise.

Underfloor heating powered by a heat pump is installed throughout the apartment, and additional air-conditioning units are installed in the living room and each bedroom.

Electric shutters and integrated mosquito screens are installed on all openings.

High-quality ceramics are included with a budget of up to EUR 20.00/m²
