Price : 400.000 €

For sale are three building plots in a peaceful and attractive Istrian location, just a few kilometers from the sea and approximately 9 km from Poreč, with shops, restaurants and all essential amenities nearby.

The plots are southwest-facing, gently sloping and offer excellent conditions for construction.

The future villas will offer a beautiful sea view from the first floor.

An excellent investment opportunity for the construction of luxury villas for tourist rental or private use.
