In a quiet location 15 km from Porec, for sale is this beautiful stone villa with a large plot and pool.

The villa consists of two floors; the ground floor and the first floor.

The ground floor has an entrance hall, spacious living room with fireplace and dining area, fully equipped kitchen, two bedrooms with their own bathrooms, study room, pantry, and laundry room where you can arrange a guest toilet.

Upstairs are two more bedrooms with their own bathrooms and terraces overlooking the garden and pool.

Heating: underfloor heating with heat pump, fireplace, and air conditioning. On a large plot of 2347 m2, there is a swimming pool of 80 m2 and a covered summer kitchen with a table and barbecue.

The interior is modern, equipped with high-quality furniture and appliances, but the use of stone and wooden beams give it a charm that is typical for Istrian traditional houses.

In the yard, there is a large parking lot that can accommodate several cars. The entire property is enclosed by a high wall and fence and provides complete privacy.
